## CHAPTER \_\_\_\_\_

An act to add Section 10295.7 to the Public Contract Code, relating to contracts.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1281, Romero. Public contracts.

Existing law authorizes the Department of General Services to contract with suppliers to acquire goods and services for state agencies.

This bill would prohibit a state agency from entering into a contract for the acquisition of goods or services with a contractor, as defined, who does not have and adhere to a written policy annually providing his or her full-time employees, as defined, with not less than 5 days of regular pay for actual jury service.

*The people of the State of California do enact as follows:*

SECTION 1. Section 10295.7 is added to the Public Contract Code, to read:

10295.7. (a) Notwithstanding any other provision of law, no state agency may enter into any contract for the acquisition of goods or services with a contractor who does not have and adhere to a written policy providing the contractor's full-time employees with not less than 5 days of regular pay, on an annual basis, for actual jury service.

(b) For purposes of this section, "contractor" means an individual or business employing more than 100 full-time employees.

(c) For purposes of this section, "full-time employees" means those individuals who are employed for each working day in any 20 consecutive calendar weeks in the current calendar year or preceding calendar year.
